

Advents are for any time, not just Christmas.

Here's one for 30 days,
with a tiny, fun activity
for every day.

Print the pages. Cut 3 sides of each
window. Paste the pages together (with
the windows open). Leave to dry. Close
each window. Start your 30 days of fun
adventures.

Play the floor is lava	Run around outside	Spot spring things	Skip for a bit	Read an extra book	Look at the sky
Reflect on your strengths	Name 3 things you're grateful for	Jump around a bit	Spend time outside	Give an unexpected compliment	Look for good things
Kōrero about someone you love	Share childhood stories	Name the best part of your days	Make a hut (inside or out)	Plan your holidays	Read an extra book
Give an unexpected compliment	Check out the night sky	Practice puku breathing	Organise a play date	Head to the playground	Cook together
Do a puzzle	Pick a flower	Look for green things	Play hide and seek	Dance for a bit	Visit someone
